That's a really cool way of doing it. I can't wait to see what the final decisions are. Were those with entire era additions asked for their top two choices as well?

Yup, everyone. So four Eras were proposed for resurrection and two original eras were put forth. Also, the person putting forth the original eras has a really good eye for suggesting unexpected but awesome game lines. Alas, I want both proposals!

what are the chances that, after the finale decision would be revealed, that you could let us know what the other original era was? Because the curiosity would drive me insane! :P

Was one of those proposed Resurrections Innocents London Blitz by any chance?

Nope. Resurrection could only be Eras missed in the DE2 Kickstarter.

Maybe you'll get lucky, though. It was a pretty popular idea for an Era. Maybe they'll include it as part of the Innocents 2E book.

With Onyx Path writing **Innocents** 2E, I would rather for them to wait with *London Blitz* for Innocents 2E corebook - or we will end with products like Changeling quasi-2E and 'not really 1.5E' settings from Dark Eras 1 corebook. You should write Dark Era to the edition that is ended now, not taking works in progress to confuse users and audience. **On the sidenote:** I was one of most anticipating to read *London Blitz*. But right now, it better to wait till we will have proper 2E corebook. Interesting would be making it dual Era with Beast or Deviant about London's WW 2 then...

No real news from the backer front (still sworn to secrecy, will be very happy when I can discuss again), but I was just talking with the backer who added the original era. He's cool if I share the pitch that didn't make it after everything else is revealed, so you are in luck. Actually, I'm in luck too, since I kinda want to see it get developed as a fan Dark Era once DE2 gets released.
